**Budget** \$165,350 (\$60,000 OAST Fund + \$105,350 matching local support)

### Overview

Expanding existing active school travel (AST) by increasing the number of schools participating in School Travel Planning (STP) and enhancing other town-wide AST initiatives in which all Ajax schools can participate.

### Project highlights

- » Expanding STP programming from four to as many as twelve schools.
- » Updating and promoting an AST manual as well as personalized walking and cycling maps for schools.
- » Engaging and supporting school champions to build capacity and increase AST leadership.

### What they're saying

***"We proudly support getting kids active by walking and rolling to school. I love the enthusiasm and participation from our amazing students."***

~Mayor Shaun Collier, Town of Ajax
