

Getting more kids walking and wheeling to school

Supported by the Government of Ontario, the Ontario Active School Travel Fund offers grants to school boards, student transportation consortia and their municipal and local partners for projects that increase active school travel opportunities for elementary students.

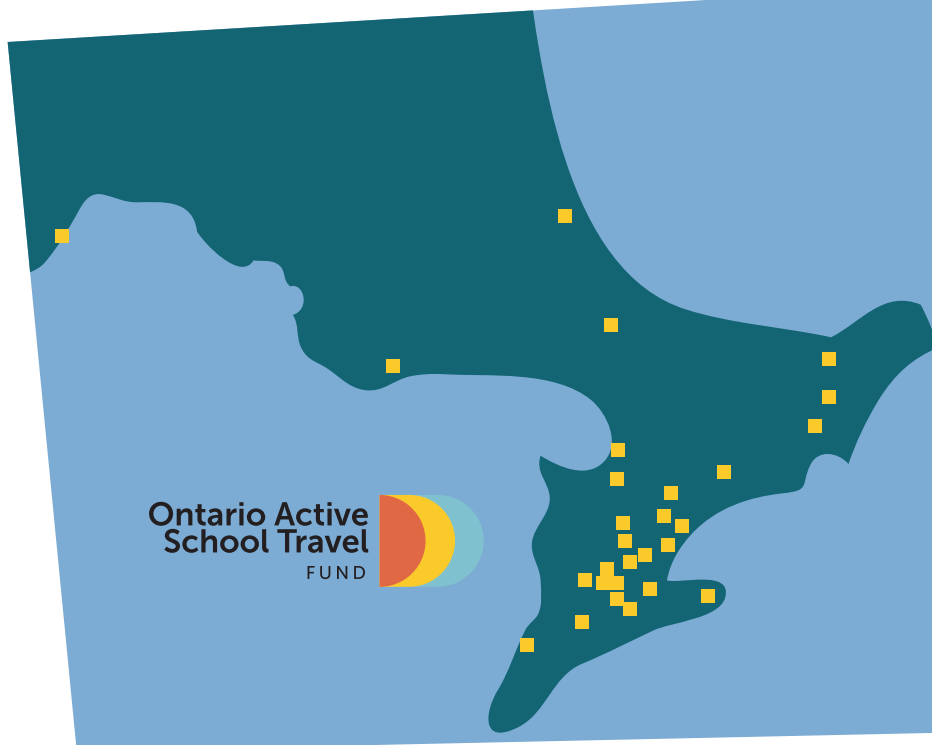

Prepare students for learning

Improve school zone safety

“Our government is proud to support Ontario Active School Travel projects that promote healthy and active living habits, encourage travel choices that support the protection of the environment, and enhance student and staff safety in overly congested school zones.”

- Hon. Stephen Lecce, Minister of Education

2018-2020

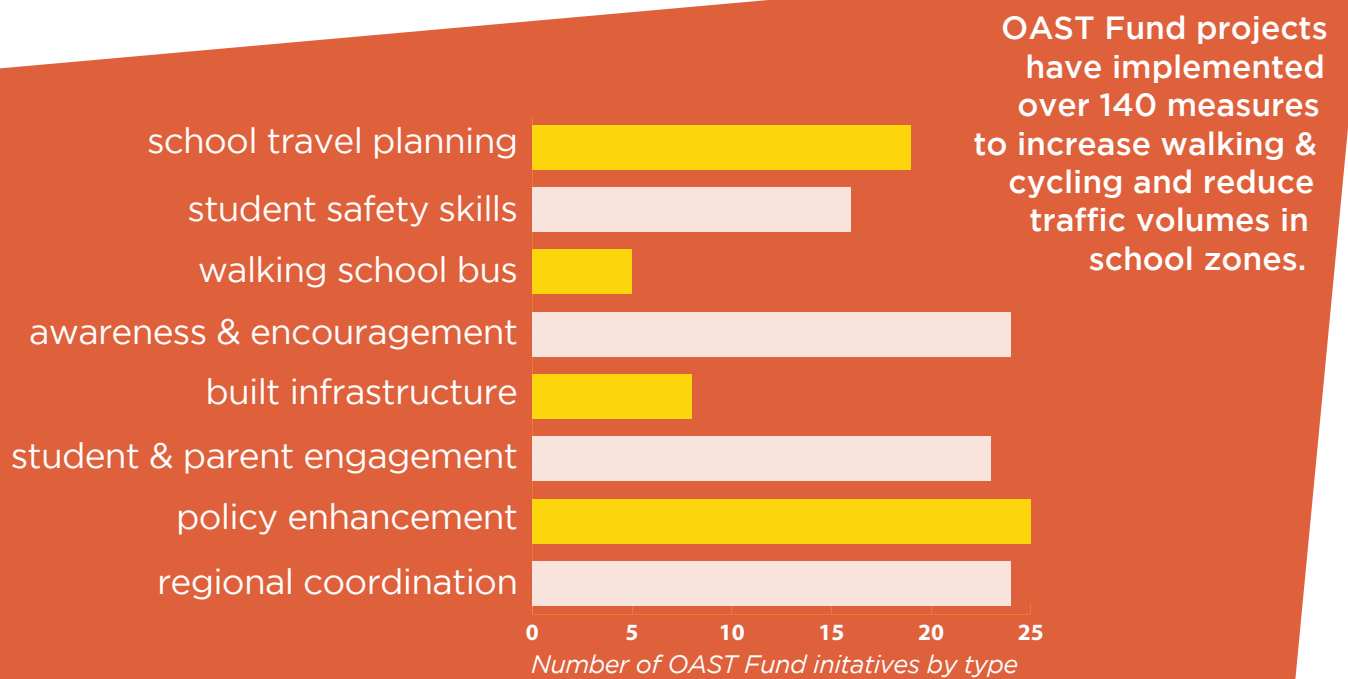

\$2.1 million
28 projects
56 urban, suburban & rural communities
45 municipalities
53 school boards/ transportation consortia
1,111 schools

“Ontario Active School Travel has been a welcome support in our region. The School Travel Planning team has brought together key stakeholders to implement changes to our approach to transportation.”

- **Matthew Gerard, Superintendent of Business Services & Treasurer, Waterloo Region DSB**

“STSTB has taken on a more holistic approach to student transportation since becoming a founding stakeholder [...] and being an active participant in the emerging active school transportation movement in Thunder Bay.”

- **Craig Murphy, Consortium Manager, Student Transportation Services of Thunder Bay**

“The partnership between the school boards and the County of Brant has led to some great initiatives at our pilot sites. We are thrilled with the progress we have been able to make in the community for the students and families who are looking to actively travel to and from school.”

- **Phillip Kuckyt, Manager, Student Transportation Services Brant Haldimand Norfolk**
